Re: Docket No. 100154-EG – Petition for approval of demand-side management plan of Gulf Power Company (Program Participation Standards)

Dear Ms. Ritenour:

On February 11, 2011, the Commission issued Order No. PSC-11-0114-PAA-EG, approving the Demand the Demand-Side Management (DSM) Plan for Gulf Power Company (Gulf). Gulf filed program participation standards on April 1, 2011.

Commission staff has reviewed Gulf's filings and believes the DSM Plan program participation standards are consistent with the DSM Plan approved by the Commission. Staff requests that Gulf notify the Commission prior to any changes being made to the program standards as filed.

Sincerely,

A handwritten signature in cursive script that reads "Beth Salak".
