Good morning Sharon.

I received your letter dated April 22, 2011, requesting the name change. In reviewing it, I noticed there seems to be some conflict between the reference line and the body of the letter.

Please take a look at the company name listed ("Telecom/Telephone"), as well and the company codes, and send me an updated letter correcting these discrepancies.

Feel free to send an e-mail or fax to me, whichever is easier for you.

Thanks!
