Re: DN 100155-EG - Petition for approval of demand-side management plan of Florida Power & Light Company (Program Participation Standards for Solar Pilot Programs)

Dear Ms. Cano:

On January 31, 2011, the Commission issued Order No. PSC-11-0079-PAA-EG, approving the Solar Pilot Programs for Florida Power & Light Company (FPL). FPL filed program participation standards for the programs on March 25, 2011. The standards were revised by FPL on May 12, 2011.

Commission staff has reviewed FPL's filings and believes the revised solar pilot program participation standards filed by FPL on May 12, 2011, are consistent with the solar pilot programs approved by the Commission on January 31, 2011 in Order No. PSC-11-0079-PAA-EG. Please notify the Commission prior to making any further changes or modifications to the program standards.

Sincerely,

A handwritten signature in black ink that reads "Beth Salak".
