Per this e-mail, the Clerk's Office will edit in the docket title the Registration No. from TJ487 to TI487.

Thanks.

I need glasses... I am fighting it, but I need new glasses. It is TI487. Please make the edit and thanks for catching it.

Hi Toni,
In the paperwork you submitted to create Docket 110143-TI, you listed TJ487 as the IXC Registration in the suggested docket title, but every where else, its listed correctly as Registration No. TI487. Please confirm that it's OK to update the docket title from TJ487 to TI487 ?

Thanks.
