Subject: Docket 110134-TL 2012 High Cost Certification for Rural Carriers

Good morning Dorothy,

I just left a voice-mail on your phone, however, I thought I would follow it up with
5/18/2011

DOCUMENT NUMBER - DATE
03478 MAY 18 =
FPSC-COMMISSION CLERK

this email.

Once again this year, we already have set up a new Docket No. 110134-TL for the new 2012 Certification for High-cost by the 8 rural carriers. Every year we close out the previous year's docket around October after the PSC certifies to the FCC and USAC.

To date, we received TDS and Smart City who filed their reports under the correct 'new' docket number, 110134-TL. The letter to all 8 ETCs sent out under Beth's signature specified the 110134-TL docket for 2012 Certification and once the letter was signed and mailed out to the 8 High cost rural carriers, I followed it up with an email notification with the new docket number letting each of them know that the letter would be arriving by USPS.

Windstream just filed their report and did so incorrectly under Docket No. 090168 which is closed. Please move document 03405-11 from 090168-TL to 110134-TL. In case any of the other 5 remaining ETCs incorrectly submit under either 090168-TL or 100150-TL, please file these under the correct Docket No. 110134-TL, 2012 High Cost certification.

If you have any questions, please give me a call. Thanks for your assistance in this matter...jim

Subject: Request to Establish Docket

Hi Jim,

We have received the request to establish docket regarding the rural telecommunications carriers however, there are no company codes listed. Please provide those as soon as possible and we'll get this new docket started ASAP. Thank you for your help!

Dorothy
