Ann,  
  
I just spoke with Wade Litchfield. He requests that Confidential Document No. 00343-10 be destroyed by your office.

Please let me know if there is anything else you require from GCL on this issue.

Ed,

I discussed this matter this morning with the attorneys in GCL. The consensus is it does not need to be retained, but I am awaiting the final word on how/where it is disposed of or sent. I will be back to you with an answer to your inquiry ASAP. Thanks.

The Clerk's Office has received a directive to return to source confidential DN 00343-10. This document was filed by COM/Skop as Hearing Exhibit No. H presented at 1/13/10 special agenda conference.

Where should this document be returned to ? and/or should it really be retained.
