III. TRANSFER OF CONTROL AND RELATED TRANSACTIONS

On April 11, 2011, Level 3, Apollo Sub, and Global Crossing's indirect parent company, Global Crossing Limited ("GCL"), entered into an Agreement and Plan of Amalgamation (the "Agreement") whereby Apollo Sub and GCL will be amalgamated under Bermuda Law, which is essentially the same type of transaction as a merger under U.S. law. Pursuant to the Agreement, each issued and outstanding common share and convertible preferred stock of GCL (other than any shares owned by Level 3, GCL, or their respective subsidiaries and any dissenting shares) will be exchanged for shares of common stock of Level 3. In total, Level 3 currently expects to issue approximately 1.3 billion shares. Following the transaction between GCL and Apollo Sub, the separate corporate existence of Apollo Sub and GCL will cease, and the combined company, renamed Level 3 GC Limited, will exist as a wholly owned subsidiary of Level 3 Financing and ultimately a wholly owned subsidiary of Level 3 LLC.² As a result of the transaction, Level 3 will indirectly control the GC Companies.

In addition, as a result of the exchange of shares in connection with the merger, STT Crossing Ltd, a current direct shareholder in GCL and an indirect shareholder in Global Crossing and the GC Companies, will obtain a minority interest of approximately 24% in Level 3, and indirectly in the Level 3 Companies, at closing.³ In addition, Southeastern Asset Management, Inc., which is currently the largest Level 3 stockholder with an approximate 30% beneficial ownership interest, will beneficially own approximately 15% of Level 3. Other than STT Crossing Ltd and Southeastern Asset Management, Inc., no other individual or entity is expected to hold 10% or more of Level 3. The majority of the Level 3 stock will continue to be held by current investors.

Following consummation of the transaction, the GC Companies will continue to operate their facilities and provide service to their customers at the same rates, terms, and conditions, ensuring a seamless transition of ownership. For the Commission's convenience, pre- and post-transaction organizational charts are provided as Exhibit A. A copy of the Agreement is included in the SEC Form 8-K filed by Level 3 and is available at <http://vlt.client.shareholder.com/sec.cfm>.

² Immediately following the merger, Level 3 GC Limited will be a direct subsidiary of Level 3 Financing. Thereafter, Level 3 expects to complete a *pro forma* intracorporate transaction whereby Level 3 GC Limited will become a direct subsidiary of Level 3 LLC.

³ Pursuant to a separate stockholder rights agreement, any future share acquisitions by STT Crossing Ltd would be subject to a limitation on its interest in Level 3 of 34.5%.

IV. PUBLIC INTEREST CONSIDERATIONS

The Parties submit that the transactions described herein will serve the public interest. The Parties expect that the merger will enable the combined entity to better meet the local, national and global needs of enterprises, wholesale buyers, and other customers. The transaction will bring together two successful carrier organizations that have proven themselves in a highly competitive marketplace. The transaction will help create a stronger competitor by bringing together each organization's respective strengths. Operation as an integrated company will allow each of the operating companies to be more competitive and to deliver greater value and variety of services to their customers than they do individually.

Moreover, the transaction will be conducted in a manner that will be largely transparent to customers of the Level 3 Companies and the GC Companies. The transaction will not result in a change of carrier for customers or any assignment of authorizations, and in no event will it result in the discontinuance, reduction, loss, or impairment of service to customers. Following consummation of the transaction, the Level 3 Companies and the GC Companies will continue to provide high-quality communications services to their customers without interruption and without immediate change in rates, terms or conditions.

For various important business, tax and financial reasons, the Parties require that the transaction be closed as quickly as possible. Delay in the regulatory process – and thus in the ability of the Parties to move forward promptly with the integration process – risks creating uncertainty and competitive harm. In particular, the competitive telecommunications marketplace continues to be a very challenging business environment. The proposed transaction is aimed at strengthening the competitive position of the combined entities and, therefore, delay in the regulatory approval process prevents the parties from realizing the economic benefits of integration of the carriers' networks or offering the expanded combined network footprint to customers as quickly as the parties otherwise could. As stated above, it is the Parties' understanding that Commission approval is not required to complete the transactions described herein. If the Commission believes that any additional information or actions are required, the Parties urge it to address such concerns expeditiously.

V. CONCLUSION

For the reasons stated above, the Parties respectfully submit that the public interest, convenience, and necessity would be furthered by the transfer of control and related transactions.

Please acknowledge receipt and acceptance of this filing. If there are any questions regarding this matter, please feel free to contact the undersigned.

Respectfully submitted,

Danielle Burt
