Docket No. 110047-EQ – Petition for approval of negotiated purchase power contract with Trans World Energy LLC by Progress Energy Florida, Inc.

Issue 1: Should the Commission approve the Petition submitted by PEF requesting approval of a negotiated contract with the qualifying facility, Trans World Energy LLC?

Recommendation: Yes. The Negotiated Contract between PEF and Trans World provides PEF with a viable source of electric capacity and energy that meets all requirements and rules governing renewable energy producers. Payments for energy and capacity are expected to produce savings between \$61.6 million and \$28.5 million over the term of the contract. The performance security required in the contract sufficiently protects ratepayers in the event of default.

APPROVED

Issue 2: Should this docket be closed?

Recommendation: Yes. This docket should be closed upon issuance of a Consummating Order unless a person whose substantial interests are affected by the Commission’s decision files a protest within 21 days of the issuance of the proposed agency action.
