Docket No. 090346-WU – Application for staff-assisted rate case in Lake County by BRENDENWOOD WATER SYSTEM, INC.

Issue 1: Should the Utility’s request for an extension of time to complete the required pro forma plant addition be approved?

Recommendation: Yes. The Utility’s request for an extension to complete the required pro forma plant addition should be approved. The pro forma plant addition should be completed by April 30, 2012. The Utility should be allowed to implement the Phase II rates once the pro forma plant addition has been completed and verified by staff. Once verified, the rates should be effective for service rendered on or after the stamped approval date on the tariff sheet, pursuant to Rule 25-30.475(1), Florida Administrative Code (F.A.C.). The rates should not be implemented until notice has been received by the customers. Brendenwood should be required to provide proof of the date notice was given within ten days after the date of the notice. If the Utility encounters any unforeseen events that will impede the completion of the pro forma addition, the Utility should immediately notify the Commission.
