**Re: Docket No. 090430-TP-- Amended Petition for Verified Emergency Injunctive Relief and Request to Restrict or Prohibit AT&T from Implementing its CLEC OSS-Related Releases, by Saturn Telecommunications Services, Inc.**

Dear Ms. Cole:

I write on behalf of tw telecom of florida, l.p. ("TWTC"), who submits the following brief comment in the above-captioned docket.

TWTC is a certificated CLEC in Florida and uses AT&T's Southeast Region OSS for order processing. TWTC registered as an interested person in this matter and has monitored the docket due to potential impact on broader OSS issues, including AT&T SQM/SEEM plan issues.

As a routine user of AT&T's Southeast OSS, TWTC echoes the concerns expressed by STS regarding the need for R/C/O tables and supports STS's position concerning the R/C/O tables.

If you have any questions regarding the foregoing, please contact me at the number or email address shown above.

Sincerely,

Matthew J. Feil
