Dorothy, you are correct. This matter is scheduled to go directly to hearing so the progmod A1a is appropriate.

Docket No. 110200-WU has been established to address a test year notification from Water Management Services, Inc. We have given the progmod A1a, please let us know if this docket will be following a PAA track in order to change the progmod to A1f. Please note that the 3rd page if the letter requests that the case be scheduled directly for hearing, rather than following the proposed PAA procedure set forth in Section 367.081(8), FS.

Thank you for your help.
