Dear Ms. Cole,

Per staff request for information on our elevated tank antenna the following is provided.

In March 2000 our management company leased space to Sprint PCS and said lease commenced February 2001. In April 2007 our management company sold said lease to Wireless Capital Partners, LLC of Los Angeles California. Proceeds from this sale were used to replace all our meters with Automated Meter Readers (AMR) and additional upgrades as required.

Sincerely

Charles deMenzes  
President
