**Subject:** Docket No. 110199-TP - Frontier Communications/YMax Communications Corp.

Dorothy, in the above ICA, Frontier misidentified the CLEC as XMAX and WMAX in a couple of areas of their e-mail and their transmittal letter. The correct CLEC name at it appears in MCD is YMax Communications Corp. (TX850). Please use this e-mail to correct the CLEC name in the docket title, and to add TX850 to the list of utilities and remove the WMAX entry.

Please let me know if you need additional information.
