STAFF'S THIRD DATA REQUEST

110000-07

Re: 2011 Ten-Year Site Plan Review

Dear Ms. Novak:

By this letter, the Commission Staff requests that Seminole Electric Cooperative provide responses to the following data requests:

1. Please provide a status update of all planned Renewable Energy facilities including scheduled construction dates, upcoming and achieved milestones, changes to the original plans, and any other notable progress towards their completions.
2. Please list all planned Renewable Energy Contracts and/or facilities that have been cancelled, withdrawn, or delayed since the filing of the 2010 Ten-Year Site Plan. As part of this response, explain or describe the reason(s) for the change in the status of each.
3. Please discuss the status of the certification to construct Seminole Unit 3. Is the certification still valid, and could the unit still be constructed if the decision were made to do so? Please describe and discuss the requirements that would have to be met if the project were in fact to move forward, and what factors may influence a decision to move forward with this project.

Please file the original and five copies of the requested information by July 15, 2011, with Ann Cole, Commission Clerk, Office of Commission Clerk, 2540 Shumard Oak Boulevard, Tallahassee, Florida, 32399-0850. Please feel free to call me at (850) 413-6856 if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Larry D. Harris".
