b. Seating

If at all possible, the head table should be on an elevated platform in front of the audience. A raised bench such as we have at the Commission is best. A table may only be used if the front and sides are covered with a modesty skirt. Folding tables with an open front are appropriate only when using a modesty skirt.

A separate podium or table to one side of and facing the head table (away from the audience) is required for customers. A second table or bench on the opposite side of the head table from the customer podium is for staff. Another table may be necessary if a court reporter is required.

The meeting set up should appear as shown below:
