THIRTEENTH REQUEST FOR CONFIDENTIAL CLASSIFICATION**

STATE OF FLORIDA

COUNTY OF CITRUS

BEFORE ME, the undersigned authority duly authorized to administer oaths, personally appeared Jon Franke, who being first duly sworn, on oath deposes and says that:

1. My name is Jon Franke. I am employed by Progress Energy Florida, Inc. ("PEF" or the "Company") in the Nuclear Generation Group and serve as Vice President – Crystal River Nuclear Plant. I am over the age of 18 years old and I have been authorized by PEF to give this affidavit in the above-styled proceeding on PEF's behalf and in support of PEF's Seventh for Confidential Classification (the "Request"). The facts attested to in my affidavit are based upon my personal knowledge.

2. PEF is seeking confidential classification of portions of the late-filed exhibits of designated as JF-6 and JF-7, filed in this docket. A detailed description of the confidential information at issue is contained in confidential Attachment A to PEF's Request and is outlined in PEF's Justification Matrix that is attached to PEF's Request as Appendix C.

3. The late-filed exhibits include sensitive material of a contractual nature, including contractual pricing provisions. Release of this information, in addition to possibly violating contractual non-disclosure or confidentiality agreements, would place PEF at a competitive disadvantage when attempting to negotiate similar contracts in the future. Additionally, release

of these documents could provide PEF's competitors valuable insight into PEF's contractual arrangements. This information could be used to drive up the cost of goods and services that PEF contracts for in order to provide service to its customers.

4. Upon receipt of this confidential information, as with all confidential information, strict procedures are established and followed to maintain the confidentiality of the terms of the documents and information provided therein. Such procedures include, but are not limited to, restricting access to the documents and information to only those persons who require it to assist the Company. At no time since developing or entering the contracts in question has PEF publicly disclosed the contracts' confidential terms; PEF has treated and continues to treat the information contained in the subject contracts as confidential.

5. This concludes my affidavit.

Further affiant sayeth not.

Dated this 11 day of July, 2011.
