FPSC-COMMISSION CLERK

NOTICE OF COMMISSION WORKSHOP
UNDOCKETED – REVIEW OF TEN-YEAR SITE PLANS
PAGE 2

PURPOSE

The Florida Public Service Commission has jurisdiction over the determination of overall suitability of ten-year site plans pursuant to Section 186.801, Florida Statutes. The purpose of this workshop is to afford an opportunity for discussion and public comment on the ten-year site plans submitted by Florida's electric utilities and on related issues. In addition, the Florida Reliability Coordinating Council will present the Peninsular Florida Regional Load and Resource Plan, and associated studies.

A copy of the agenda for this workshop is attached. Additional copies may be obtained by writing to the Office of Commission Clerk, Gerald L. Gunter Building, 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850.

VISUAL AIDS

Workshop participants who plan to use visual aids during the course of their presentation, such as PowerPoint, must provide an electronic copy and 21 hard copies of the presentation, at least three days prior to the workshop, to Traci Matthews, who may be contacted at (850) 413-6682 or tmatthew@psc.state.fl.us.

EMERGENCY CANCELLATION OF PROCEEDINGS

If settlement of the case or a named storm or other disaster requires cancellation of the proceedings, Commission staff will attempt to give timely direct notice to the parties. Notice of cancellation will also be provided on the Commission's website (<http://www.psc.state.fl.us/>) under the Hot Topics link found on the home page. Cancellation can also be confirmed by calling the Office of the General Counsel at 850-413-6199.

In accordance with the Americans with Disabilities Act, persons needing a special accommodation to participate at this proceeding should contact the Office of Commission Clerk no later than five days prior to the conference at 2540 Shumard Oak Boulevard, Tallahassee, Florida 32399-0850, via 1-800-955-8770 (Voice) or 1-800-955-8771 (TDD), Florida Relay Service.

AGENDA FOR COMMISSION WORKSHOP
ELECTRIC UTILITY TEN-YEAR SITE PLANS
September 7, 2011 – 9:30 a.m.
Betty Easley Conference Center, Room 148
4075 Esplanade Way, Tallahassee, Florida 32399-0850

I. Introduction

II. Overview from Florida Reliability Coordinating Council:

- Peninsular and State aggregate reserve margins, fuel mix, Demand Side Management, renewables, and related matters.
- FRCC reserve margin minimum standards.
- FRCC involvement with generator and transmission maintenance scheduling.
- Natural gas supply and transportation reliability.

III. Presentation by selected individual utilities:

Florida Power and Light:

- Changes in plans since filing 4/1/11 (e.g., maintenance of generating units during peak months, plans for returning units from cold stand-by, re-powering of Port Everglades, Demand Side Management savings, and related matters).
- Status of gas pipeline needs.
- Status of existing and planned solar and wind projects.
- Plans for improving fuel diversity.
- Results of studies for possible modification of 20% reserve margin criterion.

Progress Energy Florida:

- Changes in plans since filing 4/1/11 (e.g., impact of extended Crystal River-3 outage on generation reserves, Demand Side Management savings, and related matters).
- Status update of biomass and solar contracts.
- Results of studies for possible modification of 20% reserve margin criterion.

Tampa Electric Company:

- Status update of U.S. Department of Energy grant for carbon sequestration pilot project and impact on generation reserves.
- Results of studies for possible modification of 20% reserve margin criterion.

IV. Other Related Issues

V. Public Input

VI. Adjourn
