Samantha, we'll move both Documents 05635-11 and 05636-11 from Docket 110000 to Docket 110209 per your e-mail below. The reason those two FAW notices were placed in undocketed file is that there are no docket numbers on both notices. It would be very helpful if docket numbers can be included in the FAW notices in the future.

Thanks!

Hi Hong,

There are two documents, Document No. 05636-11 and Document No. 05635-11 (both are FAW notices sent to the Department of State on 8/10/11), that are currently in Docket No. 110000-OT (Undocketed filings) that should be in Docket No. 110209-TP (Repeal of rules resulting from changes to Chapter 364, F.S.). What do I need to do to get these dockets moved to Docket No. 110209-TP?

Thanks for your help,
Samantha
