Re: **Claim of Confidential Treatment pursuant to Section 364.183(1), Florida Statutes Associated Telecommunications Management Services, LLC (ATMS)**

Dear Ms. Cole:

Enclosed for filing, please find two DVDs marked "Confidential Certificates Docket 110082-TP" and "Confidential Reports and Customer Lists Docket 110082-TP". The Companies consider the Lifeline and Link-up Quarterly Reports contained on the DVD labeled "Confidential Reports and Customer Lists Docket 110082-TP" as proprietary confidential business information and therefore must be treated pursuant to Commission confidentiality procedures. Further, the Customer Lists contained on the DVD marked "Confidential Reports and Customer lists Docket 110082-TP" contain Customer Proprietary Network Information (CPNI) and must be treated pursuant to Commission confidentiality procedures.

The DVD marked "Confidential Certificates Docket 110082-TP" contain copies of Lifeline certification forms which contain CPNI and thus must be treated pursuant to Commission confidentiality procedures.

Therefore, pursuant to Section 364.183(1), Florida Statutes, confidential classification is requested for the enclosed materials. The information described above is confidential and proprietary business information and should be kept confidential and exempt from public disclosure.

Thank you for your assistance with this filing. Please do not hesitate to contact me if you have any questions.

Sincerely,

  
Michelle P. Studstill
