Subject: Return of Confidential Documents

Hi Anna,

As I mentioned on Thursday, FPL filed the late-filed deposition exhibits No. 7 and No. 8 to the Deposition of Terry Jones with a Notice of Intent to Request Confidential Classification as well as Art Stall's deposition transcript and John Reed's deposition transcript with a Notice of Intent to Request Confidential Classification. These documents weren't used at the hearing. Please let me know if Staff is willing to return them. Otherwise, we will begin the line-by-line review for the full Request for Confidential Classification filings. Thanks.

Sincerely,
