FYI..AQUA withdrew their rate increase petition yesterday for Chuluota residents??!! Coincidence that it is 2 weeks prior to their Public Hearing Meeting (9/1/2011) with the PSC regarding QUALITY (or lack thereof) water that AQUA provides to Chuluota?

Also, please note the 1st page of this first link below, that "DENIED" was stamped by the PSC regarding "quality of service" including Chuluota which Aqua tried to claim was satisfactory on May 24, 2011.
