Will do. I was on vacation when you initially submitted this to me. I am in the midst of catching up now. Thank you for the reminder.

Richard and Andrew,

These documents relate to the Gainesville Renewable Energy Center docket. I recall there being a protest in the case that required some legal oversight at one in which I believe (correct me if I am wrong) has been resolved. Do either of you have any need for the remaining confidential documents mentioned in the attached e-mail? Thanks!
