Re: Docket No. 090424-WS - Application for certificates to provide water and wastewater service in Polk County by Bimini Bay Utilities Corporation.

Dear Mr. Meadows:

Please be advised the staff of the Florida Public Service Commission has opened a docket initiating show cause proceedings against Four Point Utility Corporation for violation of Commission rules and regulations. The proceedings are based upon the Management Audit of Four Points Utility Corporation and Bimini Bay Utilities Corporation issued June 2011. You have previously received a copy of that audit. It is staff's intention to present a recommendation to the Commission at the Commissioner's September 20, 2011, Commission Conference based on the findings in the audit. At the same Commission Conference, staff will present its recommendation on Bimini Bay Utilities Corporation's request for an original certificate.

I am attaching a copy of the documents staff has placed in the file for Docket No. 110254-WS. Once the recommendations have been completed and filed, you will receive copies of those recommendations. You are invited to attend the Commission Conference on September 20, 2011, and you or your legal representative may address the Commission regarding both recommendations.

Sincerely,

  
Lisa C. Bennett
