Docket No. 110228-EI – Petition for exemption under Rule 25-22.082(18), F.A.C., from issuing request for proposals (RFPs) for modernization of the Port Everglades Plant, by Florida Power & Light Company.

Issue 1: Should the Commission grant FPL’s petition for exemption from the RFP requirement of Rule 25-22.082, F.A.C., for the modernization of its Port Everglades plant?

Recommendation: Yes. Granting the exemption will not relieve the Company of any requirements during a future need determination process, including a demonstration that the project is the most cost-effective source of power or whether conservation or renewable generation can mitigate the need for the modernization of the Port Everglades facility.

APPROVED

Issue 2: Should this docket be closed?

Recommendation: If no person whose substantial interests are affected by the proposed agency action files a protest within 21 days of the issuance of the order, this docket should be closed upon the issuance of a consummating order.
