BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

In re: Petition for approval of tariff modifications to extend service territory into Nassau and Okeechobee Counties by Florida Public Utilities Company

DOCKET NO.

DATED: September 22, 2011

FLORIDA PUBLIC UTILITIES COMPANY'S PETITION FOR APPROVAL OF TARIFF REVISIONS TO REFLECT SERVICE IN NASSAU COUNTY AND OKEECHOBEE COUNTY

Florida Public Utilities Company ("FPUC" or "Company"), by and through its undersigned counsel, hereby files this Petition asking the Florida Public Service Commission ("FPSC" or "Commission") for approval of modifications to its Natural Gas Tariff, Third Revised Volume 1, related to areas served by the Company. In support of this request, the Company hereby states:

- 1) FPUC is a natural gas utility subject to the Commission's jurisdiction under Chapter 366, Florida Statutes. Its principal business address is:

Florida Public Utilities Company
401 South Dixie Highway
West Palm Beach, FL 33401

- 2) The name and mailing address of the persons authorized to receive notices are:

Beth Keating
Gunster, Yoakley & Stewart, P.A.
215 South Monroe St., Suite 601
Tallahassee, FL 32301
(850) 521-1706

Thomas A. Geoffroy/Cheryl Martin
Florida Public Utilities Company
P.O. Box 3395
West Palm Beach, FL
33402-33958

- 3) By this Petition, FPUC seeks approval of tariff modifications necessary to reflect FPUC's extension of service into unserved areas in Nassau County and Okeechobee County.

4) While FPUC's electric division currently serves Fernandina Beach, which is located in Nassau County, the northern-most county served under FPUC's natural gas tariff is Volusia County. Over the past year and a half, however, sufficient interest has been expressed by potential natural gas customers in Nassau County to make extension of natural gas service into the unserved areas in that County economically feasible. The proposed transportation service agreement with Peninsula Pipeline Company, which is currently pending Commission review in Docket No.110271-GU, further enhances the economic viability of extending service into the area.

5) As for Okeechobee County, FPUC currently serves in the adjacent counties of Martin and Palm Beach. As with Nassau County, potential natural gas customers in the unserved areas of Okeechobee have recently expressed interest in receiving natural gas service. Currently, no other distribution company serves the area, and enough interest has been expressed to provide economic justification for extending service.

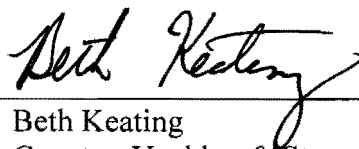

Request for Relief

6) FPUC asks the Commission to approve the proposed tariff modifications to include the addition of service areas in Nassau and Okeechobee Counties listed on Revised Sheet No. 6, and as set forth on the maps at Original Sheet No. 5.2 (Nassau County) and Original Sheet No. 5.3 (Okeechobee County) and to approve the addition on Revised Sheet No. 7 of FPUC's Fernandina Beach office as an FPUC natural gas service divisional office.

7) FPUC has included as an attachment to this Petition the referenced tariff sheets in legislative format reflecting the changes specified herein, as well as clean versions of the same tariff sheets.

WHEREFORE, FPUC respectfully requests that the Commission enter an order approving the Revised Tariff Sheets Nos. 6 and 7, as well as Original Sheets Nos. 5.2 and 5.3, effective the date of the Commission's vote addressing this Petition.

RESPECTFULLY SUBMITTED this 22nd day of September, 2011.
