Per this e-mail, the Clerk's Office will declassify original confidential DNs 05678-10 and 05681-10 and forward them to GCL/Brown.

The copy made for ECR/McNulty will also be declassified and forwarded to him.

If Betty wants her copy previously checked out to her declassified and forwarded to her, I can do that as well.

Thanks.

As an amendment to Bill's email, if you are sending anything to legal, please send it to Martha Brown rather than me. I am no longer an attorney on this case.

FPSC-COMMISSION CLERK

Marguerite,

I am requesting that Document Nos. 05678-10 and 05681-10, filed on July 12, 2010 in Docket No. 090539-GU, be declassified. Miami-Dade County filed a Notice of Intent to Request Confidential Classification for each of these documents on July 12, 2010 but Miami-Dade County did not subsequently file a Request for Confidential Classification for either of these documents at any time. By Rule 25-22.006(3)(a)1, failure to file such a request within 21 days constitutes a waiver of confidentiality.

I also request that the original documents (MDWASD's responses to Staff's 1st Set of Interrogatories and Staff's 1st Request for Production of Documents), once they are marked as declassified, be sent to Anna Norris in the General Counsel's office and the copy of these documents previously checked out to me which I returned to your office this morning, once they are marked as declassified, returned to me, since this docket is ongoing. I note that Betty Gardner currently has a copy of these documents checked out from the Clerk's office, and she may want to bring them to your office so they can be appropriately marked as declassified.

Thank You,

Bill McNulty
