Docket No. 110003-GU

Filed: October 3, 2011

FLORIDA CITY GAS
PRELIMINARY STATEMENT OF ISSUES AND POSITIONS

Florida City Gas submits this preliminary statement of issues and positions:

Issue 1: What are the final purchased gas adjustment true-up amounts for the period January 2010 through December 2010?

Florida City Gas: An under-recovery of \$259,865.

Issue 2: What are the actual/estimated purchased gas adjustment true-up amounts for the period January 2011 through December 2011?

Florida City Gas: An over-recovery of \$357,639.

Issue 3: What are the total purchased gas adjustment true-up amounts to be collected during the period January 2012 through December 2012?

Florida City Gas: An over-recovery of \$97,774 for a true-up refund factor of 0.227 cents per therm.

Issue 4: What are the appropriate levelized purchased gas cost recovery (cap) factors for the period January 2012 through December 2012?

Florida City Gas: Based on the winter months of October through March the appropriate (cap) factors are, 81.634 cents per therm (before the regulatory assessment fee) or 82.045 cents per therm (with the regulatory assessment fee).

Issue 5: What should be the effective date of the new purchased gas adjustment charge for billing purposes?

Florida City Gas: The factors should be effective for all meter readings on or after January 1, 2012 and should apply for bills rendered for meter readings taken between January 1, 2012 and December 31, 2012.

Issue 6: What changes, if any, should be made to improve the reporting mechanism related to monthly PGA reporting as established in Order No. 24463?

Florida City Gas: Preliminarily, FCG states that the current mechanism has not caused any problems for FCG. However, FCG would not oppose the changes suggested in Staff's Preliminary Statement of Issues and Positions. In taking this position, FCG assumes that the adjustments to schedule A-5 proposed by Commission Staff would be to keep each month on the schedule, instead of showing only the current month and YTD totals/average. FCG continues to review this issue and may revise its position with regard to this Issue with its Prehearing Statement.

RESPECTFULLY SUBMITTED this 3rd day of October, 2011.
