Subject: Request to Increase Customer Deposits by C-FAT Utilities

Hi Ann - Recently C-FAT Utilities filed a request on September 30 to increase customer deposits. Mr. DeMenzes, who owns the utility, incorrectly included the docket number of the utility's recent rate case on the request (Docket No. 100126-WU). The request to increase customer deposits was a part of the rate case and needs to be handled as a separate matter. It is our understanding that this request was included in the rate case docket file. Is it possible to remove this request from the rate case docket file to an undocketed request so we can handle the matter administratively?
