

REVISED EXHIBIT D

BEFORE THE FLORIDA PUBLIC SERVICE COMMISSION

Fuel and Purchased Power Cost Recovery Clause with Generating Performance Incentive Factor

Docket No. 110001-EI Dated: October 5, 2011

STATE OF FLORIDA )
PALM BEACH COUNTY )

AFFIDAVIT OF GERARD J. YUPP

BEFORE ME, the undersigned authority, personally appeared Gerard J. Yupp who, being first duly sworn, deposes and says:

1. My name is Gerard J. Yupp. I am currently employed by Florida Power & Light Company ("FPL") as Senior Director of Wholesale Operations in the Energy Marketing and Trading Division. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Revised Exhibit C, and the documents that are included in Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Audit No. 08-221-4-1 for which I am identified on Second Revised Exhibit C as the affiant. The information that FPL asserts is proprietary and confidential business information includes contractual data such as pricing and other terms, payment records, and vendor and supplier rates for oil and gas procurement, the disclosure of which would impair the efforts of FPL to contract for gas and oil procurement on favorable terms for the benefit of its customers and would impair the competitive interests of FPL and its vendors. Certain information in these documents and materials would also place FPL at a disadvantage when coupled with other information that is publicly available.

3. Nothing has occurred since the issuance of Order No. PSC-10-0214-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.

**AFFIDAVIT OF MARIA V. BESADA**

**BEFORE ME**, the undersigned authority, personally appeared Maria V. Besada who, being first duly sworn, deposes and says:

1. My name is Maria V. Besada. I am currently employed by FPL Energy Services, Inc. ("FPLES") as Director, Organization Development & Management. My business address is 9250 West Flagler Street, Miami Florida, 33174. I have personal knowledge of the matters stated in this affidavit.

2. I have reviewed Revised Exhibit C, and the documents which are included in Revised Exhibit A to FPL's First Request for Extension of Confidential Classification of Information Obtained in Connection with Audit No. 08-221-4-1 for which I am identified as the affiant. Such documents or materials that I have reviewed and which, in whole or in part, are asserted by FPLES to be proprietary confidential business information, contain or constitute contractual vendor data, such as pricing and other terms, the disclosure of which would impair the efforts of FPLES to contract for goods or services on favorable terms in the future. Specifically, these documents contain commodity pricing and natural gas sales agreement. This information also relates to FPLES' competitive interest, and the disclosure such information could impair the competitive business of FPLES or the provider of the information. To the best of my knowledge, FPLES has maintained the confidentiality of these documents and materials.

3. Nothing has occurred since the issuance of Order No. PSC-10-0214-CFO-EI to render the information stale or public, such that continued confidential treatment would not be appropriate. Therefore, the information should remain confidential for a period of at least an additional eighteen (18) months. These materials should be returned to FPL as soon as the information is no longer necessary for the Commission to conduct its business so that FPL can continue to maintain the confidentiality of these documents.

4. Affiant says nothing further.
