Dear Mr. Friedman:

In order to complete our analysis for the staff-assisted rate case for Grenelefe Resort Utility, Inc., staff needs the following documentation related to non-potable water service.

- (a) An allocation of salaries, payroll taxes, purchased power, management fees, and any other expenses related non-potable water;
- (b) Identify specific National Association of Regulatory Commissioners (NARUC) account number(s) of any plant items related to non-potable water.

Please submit the above information to the Office of Commission Clerk by October 25, 2011. If you have any questions, please contact Avy Smith by phone at (850) 413-6425 or by e-mail at avy.smith@psc.state.fl.us.
