Concise explanation, justification or comments (attach additional sheet if necessary):

Mr. Shef Wright was recently retained as legal counsel for Bimini Bay Utilities Corporation. Mr. Wright contacted Commission legal staff by phone and requested that this recommendation be deferred until the November 22, 2011 Agenda Conference so he can work with the Utility owner and Commission staff to bring the Utility into compliance with the Commission's rules. Staff does not believe the Utility can remedy all of the deficiencies and public interest concerns discussed in staff's recommendation within such a short time, and therefore, deferring the item serves no real purpose. Staff recommends that the deferral be denied.
