Re: Docket No. 110131-EI: Tampa Electric Company's Petition for Approval of its 2011 Depreciation Study and Annual Dismantlement Accrual Amounts.

Dear Ms. Brown:

During an informal meeting on August 25, 2011, between Commission staff and interested parties in the above referenced docket, Tampa Electric Company acknowledged that it would provide to staff a revised Annual Accrual calculation using the inflation forecast from Moody's Analytics, Economy.com issued November 2011. As such, please refer to Tampa Electric Company's response to Staff's Second Data Request, Nos. 140, 141, and 142. Please provide the same information and updated Annual Accrual using the inflation forecast from Moody's Analytics, Economy.com as of November 2011, by December 30, 2011. The response should include the following:

1. An updated inflation forecast as presented on page 556 of Tampa Electric Company's 2011 Dismantlement Study.
2. An updated electronic version of the Annual Accrual using the most current escalation factor and inflation indices information.
3. The most recent escalation factor and inflation forecast information in electronic format.

Sincerely,

A handwritten signature in black ink that reads "Dale R. Buys".
