

REDACTED

3. Please describe the relationship between Bright House Information Services and Bright House Cable. In this context, "relationship" means a description of where both companies fit into Bright House's overall corporate structure. Please include in the description the names of the Bright House affiliates that are common to both Bright House Information Services and Bright House Cable and describe (or provide a diagram showing) the relationships between and among all such common affiliates. In other words, please describe the Bright House family of companies doing business in Florida, and how Bright House Information Services and Bright House Cable fit into the family structure.

BHNIS RESPONSE: (confidential)

Please see Bright House's "General Objections," stated above. Subject to such objections, Bright House states as follows:

(response provided by counsel)

4. Do Bright House Cable and Bright House Information Services have any common employees, officers, and/or board members? If so, please identify those individuals and describe their duties and responsibilities for each company.

BHNIS RESPONSE: (confidential)

Please see Bright House's "General Objections," stated above. Subject to such objections, Bright House states as follows:

Bright House Cable and Bright House Information Services do not have any common employees. Bright House Cable and Bright House Information Services share the following officers in common. The duties and responsibilities of each officer named below are consistent with and reasonably described by the titles indicated for each:

(response provided by counsel)

25. Has any company other than Verizon (or a Verizon affiliate), at any time, disputed the application of Bright House Information Service's intrastate switched access rates to interexchange traffic Bright House Information Services sends to or receives from that company? If so, please identify the disputing company, the reason the company gave for disputing the application of access charges, and the status of the dispute.

BHNIS RESPONSE (confidential):

Please see Bright House's "General Objections," stated above. Subject to such objections, Bright House states as follows:

(response provided by counsel and by Marva Johnson)

26. Please identify all other carriers from which Bright House Information Services receives interexchange voice traffic destined for Bright House Cable's network. For each of those other carriers, please state whether or not the carrier pays Bright House Information Services intrastate switched access charges for that traffic. If not, please explain why not, and describe the charges, if any, the carrier pays to Bright House Information Services.

BHNIS RESPONSE: (confidential)

Please see Bright House's "General Objections," stated above. Subject to such objections, Bright House states as follows:

The following response is confidential:

(response provided by counsel and by Marva Johnson)
