DOCKET NO. 110001-EI
ORDER NO. PSC-11-0488-CFO-EI
ISSUED: October 25, 2011

ORDER GRANTING TAMPA ELECTRIC COMPANY'S
REQUEST FOR CONFIDENTIAL CLASSIFICATION
(DOCUMENT NO. 06101-11)

On August 24, 2011, pursuant to Section 366.093, Florida Statutes (F.S.), and Rule 25-22.006, Florida Administrative Code (F.A.C.), Tampa Electric Company (TECO) filed a request for confidential classification of certain information contained in TECO's answers to the Florida Public Service Commission Staff's Second Request for Production of Documents (Document No. 06101-11). This request was filed in Docket No. 110001-EI.

Section 366.093(1), F.S., provides that "any records received by the commission which are shown and found by the commission to be proprietary confidential business information shall be kept confidential and shall be exempt from Section 119.07(1) [the Public Records Act]." Section 366.093(3), F.S., defines proprietary confidential business information as information that is intended to be and is treated by the company as private, in that disclosure of the information would cause harm to the company's ratepayers or business operations, and has not been voluntarily disclosed to the public. Paragraphs (3)(d) and (e) of Section 366.093 F.S., provide that proprietary confidential business information includes, but is not limited to "[i]nformation concerning ... contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms;" and "[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information."

TECO contends that certain highlighted information on Bates-stamped pages 2-49, 51-73, 75-98, 100-122, 124-148, 150-172, 174-200 and 202-213 from its Response to Staff's Second Request for Production of Documents filed on 8/24/11 (Document No. 06101-11), falls within these categories and, thus, constitutes proprietary confidential business information entitled to protection under Section 366.093, F.S., and Rule 25-22.006, F.A.C. TECO states that this information is intended to be and is treated by TECO as private and has not been publicly disclosed.

Time Period For Confidential Classification

TECO requests confidential classification for the information described above for a minimum of 18 months from the date of the order granting such classification. According to Section 366.093(4), F.S., confidential classification may only extend for 18 months from the issuance of an Order granting confidential classification unless "the Commission finds, for good cause, that the protection from disclosure shall be for a specified longer period."

Ruling

Upon review, it appears the above-referenced information satisfies the criteria set forth in Section 366.093(3), F.S., for classification as proprietary confidential business information. The information constitutes “[i]nformation concerning bids or other contractual data, the disclosure of which would impair the efforts of the public utility or its affiliates to contract for goods or services on favorable terms,” and “[i]nformation relating to competitive interests, the disclosure of which would impair the competitive business of the provider of the information.” Thus, the information identified in Document No. 06101-11 shall be granted confidential classification.

Pursuant to Section 366.093(4), F.S., the information for which confidential classification is granted herein shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. At the conclusion of the 18-month period, the confidential information will no longer be exempt from Section 119.07(1), F.S., unless TECO or another affected person shows, and the Commission finds, that the records continue to contain proprietary confidential business information.

Based on the foregoing, it is

ORDERED by Commissioner Ronald A. Brisé, as Prehearing Officer, that UTILITY NAME’s Request for Confidential Classification of Document No. 06101-11 is granted. It is further

ORDERED that the information in Document No. 06101-11 for which confidential classification has been granted shall remain protected from disclosure for a period of 18 months from the date of issuance of this Order. It is further

ORDERED that this Order shall be the only notification by the Commission to the parties of the date of declassification of the materials discussed herein.

By ORDER of Commissioner Ronald A. Brisé, as Prehearing Officer, this 25th day of October, 2011.

Ronald A. Brisé
Commissioner and Prehearing Officer

This notice should not be construed to mean all requests for an administrative hearing or judicial review will be granted or result in the relief sought.

Mediation may be available on a case-by-case basis. If mediation is conducted, it does not affect a substantially interested person's right to a hearing.

Any party adversely affected by this order, which is preliminary, procedural or intermediate in nature, may request: (1) reconsideration within 10 days pursuant to Rule 25-22.0376, Florida Administrative Code; or (2) judicial review by the Florida Supreme Court, in the case of an electric, gas or telephone utility, or the First District Court of Appeal, in the case of a water or wastewater utility. A motion for reconsideration shall be filed with the Office of Commission Clerk, in the form prescribed by Rule 25-22.060, Florida Administrative Code.
