**Subject:** Docket No 110218-TX digitalIPvoice Petition for Eligible telecommunications Carrier Status in the State of Florida

Jim:

As always, it was a pleasure speaking with you yesterday!

Please accept this email as your authority from digitalIPvoice, Inc. to withdraw our Petition for ETC status in Florida (Docket No. 110218-TX). Our intention was to qualify for ETC status to serve Lifeline customers via wireless facilities and we were unaware that the filing for wireless should have been done directly with the FCC. Since we never intended to use wire line for this service, our filing was unnecessary and simply served to clutter your Docket. For that we apologize.

We appreciate all the assistance you have given us on this and other matters before the Commission. Please call me if you have questions or need additional information.

Sincerely

Buddy Howard
