Marguerite,

Please retain Document No. 06775-11 for the time being unless the utility specifically requests the return of it. I am responding on John's behalf since I am the analyst who requested the document in discovery.

Thank you,
 Bill McNulty

Since DN 07571-11 replaces the request for confidential classification (DN 06774-11), would you like the Clerk's Office to return to the source confidential DN 06775-11 ?
