Dear Ms. Cowdery:

I am writing on behalf of Tampa Electric Company to request that a rule development workshop be conducted in connection with the above-referenced rule amendments that were the subject of the undocketed notice of development of rulemaking issued November 8, 2011.

Tampa Electric wishes to present comments and seek clarification regarding various aspects of three of the above rules (Rules 25-6.019, 25-6.0345 and 25-6.060) as they currently appear, as well as the amendments to those rules proposed in the November 8, 2011 notice. The requested rule development workshop will enable all affected persons to provide meaningful input that will be helpful to the Staff and the Commission in considering the proposed rule amendments.

Thank you for your assistance in connection with this matter.

Sincerely,

James D. Beasley
