The SCS Tax Department files a combined return in the state of Mississippi in order to utilize individual company net operating losses and reduce the overall Mississippi state income tax expense. As a result, inter-company payments and refunds are required for the 2010 final tax return payment of Mississippi income tax.

Each company making a payment should submit proper documentation to SCS Treasury to process these payments. The payments should be made to Southern Company Services, Account No. [REDACTED] Bank of America (Dallas, TX), ABA [REDACTED] (Wires), [REDACTED] ACH's) no later than September 15, 2011.

The final estimated payments are as follows:

[REDACTED]

Each company receiving a refund should provide SCS Treasury with instructions confirming the bank account detail (including ABA numbers) to which the below noted refunds should be wired on September 15.

The final refunds are as follows:

GULF POWER COMPANY	23,646
[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]
[REDACTED]	[REDACTED]

Companies not included in either list above will have no payment due nor receive a refund on September 15.

SCS tax will make the payment to the state by requesting a check in the amount [REDACTED]
