RE: Docket # 090414

Dear Commission Clerk:

Enclosed please find from Polston engineering a letter certifying completion of the coating of the hydropneumatic tank at Pinecrest Ranches and copies of an excel spreadsheet showing 13 meters replaced along with checks.

This should complete the requirements to complete the rate case.

On behalf of the utility,

Mike Smallridge

Re: 6,000 Gallon Hydropneumatic Tank

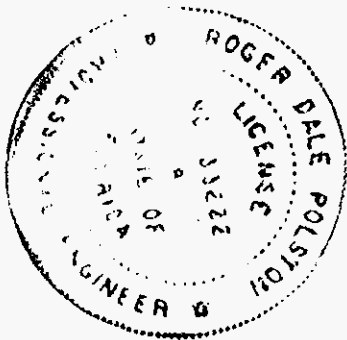

To Whom It May Concern:

This letter is to confirm that earlier this month the Pinecrest Utilities, LLC's approximate 6,000 gallon steel hydropneumatic tank located on Citrus Highlands Drive in Bartow was cleaned and sandblasted near white then coated with 2 coats of Sherman Williams ANSI/NSF 61 Macropoxy 646 - PW epoxy in accordance with the manufacturers recommended specifications by personnel under my supervision.

If you have any questions or need any additional information, please let me know.

Sincerely,

Roger Dale Polston, FL PE #33222  
Polston Engineering, Inc. BPE CA #5684
