**DATE:** January 9, 2012  
**TO:** Rosanne Gervasi, Senior Attorney, Office of General Counsel  
**FROM:** Victor Cordiano, Engineering Specialist II, Office of Auditing and Performance Analysis  
**RE:** Docket 110321-EI – Gulf’s Request for Confidential Classification of document request responses and portions of audit staff’s draft report entitled *Coal Combustion Residual Storage and Disposal Processes of the Florida Electric Industry*.

---

Audit staff has reviewed the Request for Confidentiality (08597-11) for **Exhibit A** (08598-11), **Exhibit B** (08599-11), and its companion justification matrix **Exhibit C** (08600-11) submitted by Gulf requesting confidential classification of the above-referenced information pursuant to §366.093(3), F.S. Specifically, the company has requested that certain portions of the report, as identified in **Exhibit C**, be confidential under §366.093(3)(b) and (e), F.S. We concur and the report has been published including these redactions.

Additionally, Gulf requested confidential classification of the data request narrative responses and produced documents as identified in **Exhibit C**, under §366.093(3)(d) and (e), F.S., but this portion of Gulf’s request is moot because staff has already returned these items.
