**Subject:** Case Management

*Please change the title of the following four petitions to reflect the new language in the Regulatory Reform Act of 2011. Effective July 1, 2011, there is not a separate category for "Competitive Local Exchange Telecommunications Service." We are in the middle of rulemaking to change the applications. Right now it still says CLEC, but will say local service provider.*

120016-TX Application for certificate to provide local telecommunications service by 382 Networks, Inc.

110315-TX Application for certificate to provide local telecommunications service by Unity III Telecom, LLC.

110310-TX Application for certificate to provide local telecommunications service by Communications Authority, Inc.

110259-TX Application for certificate to provide local telecommunications service by Performance Communications Inc.
