Marguerite,

Might have been kind of hard to tell, but the e-mail below was intended to also declassify the same document that was filed in Docket 090459-WS as DN 11476-WS. Can you please return DN 11476-09 in Docket 090459-WS, as well?

Thanks,
Pat Brady

Marguerite,

I believe we are of the consensus that the documents can be returned. Legal is busy right now. If you will let me know what needs to be done, I'll try to do it.

We need to respond to the Clerk's office. I vote we return the document in both dockets. It was 2008, or earlier, financial info. As such, we'll need an updated version to proceed with Grove Land and the same for Bluefield, whenever it is settled. Also, the two dockets need to be separated so we can proceed. I'll try to set up a meeting on Grove Land sometime after the 17th.

If I can help, let me know.

Thanks,
Pat B.

Pat,

I have not gotten a response regarding the declassification/return to source of confidential DN 11479-09 in Docket 090445-WS.

[Confidential DN 11476-09 in Docket 090459-WS is the same document, but the attorney is Caroline

I don't know. Need to see what Ralph says. Also, since the same confidential document is in Dkt 090459-WS, we'll have to coordinate with Caroline Klancke, too.
