RE: Docket No. 110316-EM

WATER

Dear Ms. Cole:

SEWER

Pursuant to Rule 25-6.0185, Florida Administrative Code, JEA has reviewed its Electric Utility Procedures for Long-Term Energy Emergencies, filed with the Commission in 2008. JEA has determined that no changes are necessary to that plan and that the existing plan continues to be completely adequate.

Should you have any questions about the plan or about this submission, please contact me at (904)885-1450.

Respectfully submitted,

Berdell Knowles, Legislative Specialist
