Re: Docket No. 110313-PU, Post-Workshop Comments

Dear Ms. Cowdery:

Gulf Power Company thanks the Commission for the opportunity to participate in the rule development workshop held on January 19, 2012. The Company concurs with each of the suggestions offered by Tampa Electric Company at the workshop and also with the post-workshop comments submitted by Tampa Electric earlier today. Gulf believes that Tampa Electric's proposals are consistent with the substance of Staff's proposed changes and that they also provide an added and helpful degree of clarity.

Sincerely,

A handwritten signature in cursive script that reads "Susan D. Ritenour".
