Thank you, Samantha. Per this e-mail, we will copy DN 05496-12 to Docket 120008, and will leave a copy in Docket 120040.

We will also place a copy of this e-mail in administrative correspondence for both dockets for historical purposes.

This is the conversation so far. I spoke with Dorothy, and in order to get it out of 120040-EI, she will need an email from you, Adam or Charlie stating such:
She can **move** it from 120040 to 120008, essentially cutting it from 120040, OR she can **copy** it to 120008. Copying it to 120008 will leave it in 120040, so it will show up in both dockets.
Please let me know what you decide, and whether or not both docket numbers are to listed on the order.
Thank you.

I believe the 120040 docket is fine and we'll take care of it from there.

Adam, I'm thinking this is more of a supervisory/legal question. I don't know the answer. We just need directive from GCL on which docket to place this request for naming of qualified rep. Thank you for your help.

Thanks Dorothy,

I am guessing it is for this matter only. If it is done in my docket, how is it done, like a motion with a procedural order by the assigned Commissioner? Or with a recommendation to go before the Commission?

Hey Charlie,

This is my understanding of qualified rep requests:

If the request for qualified representative is for the "whole year," place the request in the xx0008 docket per the order that established the xx0008 docket; if it's only requesting qualified representative status for a specific docket and only for a limited time, then put it in the open/active docket.

Please advise which docket you would like this document in and we will do so. Thanks for your help.

Hi Dorothy,

8/13/2012

I guess this is the actual qualified rep request. Does it go in a different docket?

Thanks,
Charlie
