Mr. Fay:
This response will confirm that the Commission is unable to automatically add persons to all current dockets and future new dockets. If you would like to be added as an interested person in any dockets currently pending before the Commission, you will need to provide specific docket number(s). As an interested person you would receive all notices for hearing, prehearing, proposed agency action orders, final orders, and notices of Commission conferences pertaining to those specific dockets.

If you wish to receive notices of hearings, workshops, or rulemaking, please advise, and Nonnye Grant will be in touch with you regarding same.

I hope you find this information helpful. Please call our office if you have any questions.
