SANLANDO UTILITIES CORPORATION (the "Utility"), by and through its undersigned counsel, files this Request for Confidential Classification in relation to documents submitted in connection with the Utility's responses to Staff's Audit in connection with Audit Control No. 11-315-4-1.

1. Under Section 367.156, Florida Statutes, this Commission has the authority to classify certain material as proprietary confidential business information. This classification exempts the material from public disclosure under Section 119.07(1), Florida Statutes.

2. The Utility requests that certain information provided to Staff auditors in connection with Audit Control No. 11-315-4-1 be classified as proprietary confidential business information under Section 367.156(2), Florida Statutes, and Rule 25-22.06, Florida Administrative Code (the "Confidential Information"). If this request is granted, then the subject portions of said response to Audit Control No. 11-315-4-1 will be exempt from Section 119.07(1), Florida Statutes. Attached hereto as Exhibit "A" is a Justification Matrix providing a justification for the Utility's request. The information is enclosed herein both in highlighted and redacted format.

3. The information produced in response to Staff's Audit for compensation information is intended to be and is treated by the utility as private and confidential and has not been disclosed externally and has been strictly controlled internally.

4. A portion of the information consists of employee's name and title, base salary, benefits, overtime, raises, taxes, pension information and total compensation. This information should be classified as proprietary confidential business information because its disclosure would impair the Utility's competitive interests, provide other utility companies information to lure employees away (thereby driving up salaries and rates), and create circumstances under which infighting and employee morale could be negatively affected. See Florida Power & Light Company et al. v. Public Service Commission, 31 So. 3d 860 (Fla. 1st DCA 2010).

5. Requiring the disclosure of each employee's compensation information violates each employee's right to privacy under Article I, Section 23 of the Florida Constitution.

WHEREFORE, SANLANDO UTILITIES CORPORATION prays for the entry of an order treating the information identified in this Motion as confidential and exempt from disclosure.
