Attention of Ann Cole, Commission Clerk.

120029-TA

Dear Ms. Cole:

The City of Ocala, OUS – Telecommunications is requesting cancellation of our existing AAV certification effective 12/31/2011. The Certificate Number to be cancelled is TA036-09-0-R.

This request is due to our understanding that the legislation combined individual certificates into one Certificate of Authority and that the AAV and the CLEC are now duplicating certifications. We further understand that it is unnecessary for Ocala to maintain both certificates in 2012 and pay two annual RAF fees because one certificate (our CLEC) now encompasses both.

We understand a docket will be opened to voluntarily cancel the AAV's certificate which is now known as "Certificate of Authority" because we already have our prior CLEC as a "Certificate of Authority".

Thanks in advance for your assistance in this matter.
