**RE:** Docket No. 120019-TC – Request for cancellation of PATS Certificate No. 2111 by Telephone Operating Systems, Inc., effective November 2011.

---

Telephone Operating Systems, Inc., requested cancellation of its Pay Telephone Certificate No. 2111, effective November 2011. As a pro se petitioner, the company requested PATS certificate cancellation in a letter attached to its 2011 Regulatory Assessment Fee form instead of in an original petition, as is the traditional practice.

Staff believes that the request comports with Rule 25-24.514(2), Florida Administrative Code and is sufficient to support a cancellation date of December 31, 2011. In addition, the company timely paid its 2011 Regulatory Assessment Fees and has not knowingly violated any Commission rules or orders.

Pursuant to Section 2.07.C.5c., Administrative Procedures Manual, it is our recommendation that the voluntary cancellation be approved, an administrative order be issued, and the docket be closed.
