Since this is an ECR docket (and thus, I am not even authorized to look at them without your supervisor's permission), please send a memo and/or email to Marguerite Mclean and simply advise her that the retention of the confidential responses to staff's data requests no longer need to be retained. As such, you thereby authorize the Clerk's Office to send them back to the utility.

Devlin,

In Dkt. 100458, FPL filed several requests confidentiality of materials provided in response to certain staff data requests. Now that the docket is closed, do we still need to retain the confidential information/data request response or can we send the confidential information back to FPL? Please advise. Thank you.
